By IPS Yadav Mumbai: After 150 years, birth of Mahatma Gandhi is still immortal even today, his teachings still inspire the world, which cannot be ignored, his words cannot be erased, his name cannot be omitted. There is no way to tarnish his image. Because of his eternal values like truth, non-violence, tolerance, brotherhood etc, Gandhi is still a big star shone on the sky high, his virtuous religion will always teach the world the lesson of truth, peace and non-violence.

This is the time when Indian national icon for humanity and secularism Gandhi's assassin and traitor Godse is being portrayed as a patriot and Gandhi as a traitor killer.
