SmartCity

- Connectedness of Services is fundamental to our living.
- Cities need to emulate Human Body
 - Brain – Command Center
 - Network of Nerves – Connectivity
 - Sensory Organs – Sensing devices e.g. ANPR Cameras, RFID etc
- Steria helps cities become Smart:
 - STORM – Command & Control solution
 - Intelligent Traffic (ITMS)
 - Intelligent Transport
 - SWM
 - Implement Connectivity across city
 - Install sensing devices across city

Steria STORM - Command & Control Solution
